

15400-PR3-003 Engine Oil Filter, 67mm OD 57mm ID, Durable Seal 64×60mm

Specifications :

Price	Contact Us
Place of Origin	China
Min.Order Quantity	10
Payment Terms	OEM?ODM?OBM
Supply Ability	1000
Delivery Detail	3-7

Detail Introduction :

The 15400-PR3-003 oil filter features an outer diameter of 67mm and a height of 85mm. Its inner diameter is 57mm, and the overall dimensions are 83×84mm. The connection thread is M20×1.5, a widely used specification that ensures compatibility with many engine models. The outlet pipe diameter is standard, and the seal ring measures 64×60mm, providing a reliable seal to prevent leaks. This filter is constructed to trap dust, metal particles, and other contaminants, helping to maintain clean oil and reduce engine wear.

Parameter	Specification
Product Name	Oil Filter
Product Model	15400-PR3-003
Outer Diameter × Height	67 × 85 mm
Outer Diameter	67 mm
Inner Diameter	57 mm
Overall Dimensions	83 × 84 mm
Outlet Pipe Diameter	Standard
Connection Thread	M20 × 1.5
Seal Ring Dimensions	64 × 60 mm

Product Highlights

Precise dimensions: 67mm OD, 57mm ID, 67×85mm overall
Durable seal ring 64×60mm for leak-free operation
M20×1.5 thread for broad compatibility

Overall size 83×84mm

Standard outlet pipe diameter

High dirt-holding capacity for extended service life

Helps protect engine bearings and moving parts

Product Applications

This filter is suitable for a wide range of vehicles and machinery, including passenger cars, commercial vans, light trucks, and industrial engines. It is ideal for routine oil changes, preventive maintenance, and fleet service programs. Repair shops and parts distributors will find it a reliable stock item for compatible applications.

Why Choose Us

Shandong Topkit Construction Machinery Equipment Co., Ltd. is dedicated to manufacturing filtration products that meet high standards. Our engineers and technicians continuously work to improve product performance. With strict quality control and a customer-focused approach, we provide dependable oil filters that help extend engine life. Choose us for consistent quality and responsive service.
