

Fuel Filter Replacement RE522878, Glass Fiber Pleated, for Agricultural & Construction Equipment

Specifications :

Price	Contact Us
Place of Origin	China
Min.Order Quantity	10
Payment Terms	OEM?ODM?OBM
Supply Ability	1000
Delivery Detail	3-7

Detail Introduction :

Model RE522878 is a cylindrical fuel filter with a pleated glass fiber element. It provides 3?m filtration to remove fine particles from fuel. The filter operates at working pressures from 0.3MPa to 1.6MPa and temperatures from -25°C to 100°C. With a flow rate of 60m³/h, it supports efficient fuel delivery. It is designed as a replacement filter for agricultural and construction machinery, ensuring a proper fit and reliable sealing.

Parameter	Specification
Product Name	Fuel Filter
Product Specification	RE522878
Product Type	Pleated Filter Element
Filter Media	Glass Fiber
Filtration Accuracy	3 ?m
Filter Element Shape	Cylindrical
Working Temperature	-25°C to 100°C
Working Pressure	0.3 MPa – 1.6 MPa
Flow Rate	60 m³/h
Compatible Machinery	Agricultural Machinery, Construction Machinery

Product Highlights

Replacement fuel filter for agricultural and construction equipment

Glass fiber pleated element for high filtration efficiency

3 μ m filtration accuracy

Working pressure: 0.3–1.6MPa

Temperature range: -25°C to 100°C

Flow rate: 60m³/h

Cylindrical design for easy replacement

Product Applications

This filter is suitable for tractors, harvesters, excavators, loaders, and other heavy-duty machines. It is commonly used in fuel systems to protect injectors and fuel pumps. Ideal for routine maintenance, fleet service, and repair shops that need a dependable replacement filter.

Why Choose Us

Shandong Topkit Construction Machinery Equipment Co., Ltd. provides filtration solutions for automotive, construction, mining, industrial, and agricultural markets. We focus on quality, consistency, and customer satisfaction. The RE522878 is manufactured to meet high standards, giving you a reliable replacement filter at a competitive value. Choose us for quality products and dependable service.
